

Qualification mode FIRST LEGO League 2018/19 "INTO ORBIT"

from the FIRST LEGO League Final Central Europe to further FLL tournaments

- Only teams participating at the Final Central Europe are considered for one of the tickets listed below.
- Tickets are distributed according to the result of the overall ranking (top-down) as well as according to the invitation list of each of the further FIRST LEGO League tournaments.
- The higher the ranking, the more options a team has. The FIRST LEGO League Champion can choose between all three tournaments. The remaining tickets will be offered to the second ranked team, etc.
- In the week after the FIRST LEGO League Final, the teams that are eligible for further tournaments will be contacted via email by HANDS on TECHNOLOGY. Within the set time, these teams must decide whether and for which ticket (if there are several possibilities) they opt for. If the teams do not report back in time, the next teams will be asked.
- A team can only accept one ticket.

1. World Festival

Detroit, Michigan / USA | 24-27 April, 2019 | www.firstchampionship.org

Tickets will be passed on to the best ranked teams of the individual countries according to the qualification list below. If the best ranked team(s) reject(s) the ticket it will be forwarded to the next best ranked team from the country (if possible). If no team from the respective country accepts the ticket, it expires.
